The students were so impressed by Musetta's workshops and passion for teaching, that demand for her workshops has been overwhelming.

"Musetta is such a phenomenal teacher. She adds such depth and layers to scenes. I'm so glad I discovered The Performer's Academy. I had been driving to LA and spending a fortune on acting classes. Musetta has given me so much. I look forward to her class each and every week." D. Dearing, Adult Scene Study Student.

"She's very busy with her own career and we are excited and grateful for the time she can spend and devote to the students at The Performer's Academy. There is a waiting list for her workshops." Natalie Costa - owner.
